This map forms part of the Be Active Cockburn Walking Groups program, which is supported by Heart Foundation Walking. Heart Foundation Walking is Australia's largest network of free community based walking groups coordinated locally by the City of Cockburn.

Contact the City if you are interested in participating in or forming your own walking group. If you have a favourite walk, suggestions for improvement or feedback regarding walking maps and active environments, we'd love to hear from you.

Visit www.beactivecockburn.com.au for instructions on reporting any hazards or traffic light problems on walking trails.
